

Wireless Sales Representative in Geneseo

Premier Technologies (AT&T Wireless Agency) is the perfect place for your career to take off! We invite you to achieve incredible levels of success within your career in one of our exciting Full Time or Part time Retail Sales opportunities.

There are immediate openings for Wireless Sales Consultants who will be accountable for selling Cellular phones, Data Devices, Accessories and Features. This ideal candidate will have Sales experience, be computer savvy as well as possess strong communication, interpersonal and customer service skills. The candidate selected will be outgoing, comfortable working with customers within a fast paced environment, also will enjoy working on the telephone to contact both existing and new clients.

AT&T Premier Technologies offers a competitive salary plus commission, and incentive program along with flexible scheduling. In addition, we offer training and development programs for all associates to position their selves for the achievement of both personal and professional goals.
